EDITORIAL

The distressing delay in mailing the September number of this Bulletin must be laid at the door of those who handled the issue as freight. The shipment went far astray, just how far may not be known. It was nothing for which the officers of the Club can be held responsible, and nothing that could have been foreseen.

The Third Annual Meeting of the Wilson Ornithological Club will be held in Columbus, Ohio, December 28 and 29, in the Horticultural Building of the Ohio State University, in conjunction with the American Association for the Advancement of Science. There is every indication that there will be a large attendance.

The editor is obliged to defer the reviews of the ornithological magazines until the next number. They contain papers which should receive more attention than it would be possible to give them in the space and time at our disposal with this number.

Hereafter the "Bluebird," which has been under the management of Dr. Eugene Swope, Cincinnati, Ohio, will be issued from Cleveland, Ohio, under the auspices of the Cleveland Bird Lovers Association. It will be edited by Mrs. Elizabeth C. T. Miller. We wish it success in its new environment. The new address is 1010 Euclid Avenue, Cleveland, Ohio.
